## EMERGENCY ARCHITECTS: AUCTION

The **Emergency Architects Foundation** is auctioning **53 drawings and photographs** in order to **finance its construction and renovation operation in Beirut**. The five previous editions generated 360 000 €, which were invested, for example, in the construction of 12 schools in the Philippines and 4 maternity wards in Haiti.

The Emergency Architects Foundation won the UIA Vassilis Sgoutas Prize for ingenious and implemented architectural solutions serving the impoverished in 2014.

---

*The International Union of Architects (UIA) is an international non-governmental organisation based in Paris. Established in 1948, it is the only organisation representing architects across the globe working to unify architects, influence public policies on construction and development, and advance architecture in service to the needs of society.*
