# UIA WOMEN IN ARCHITECTURE

---

"International activity allows you to have a vision with a global perspective, analyze the challenges from a broader and relative context, and also understand the potential of globalization without neglecting the local, essential to land and scale the measures and proposals."

## REGION V

### MAGDA MOSTAFA (EGYPT) & TRISH EMMETT (SOUTH AFRICA)

"With all the perceived differences in the world, the need to learn, heal, belong and accept one another is universal, and it is something I am proud to be able to bring to fruition in my work."
